## **Lynch Creek Farm expands at Satsop Business Park to accommodate holiday season growth**

**ELMA, WASH.** – Just in time for peak holiday season, Lynch Creek Farm, a leading hand crafter of traditional and decorated Christmas wreaths, fresh centerpieces, and other holiday gifts, has expanded their operations to over 200,000 square feet of warehouse and storage space at the Satsop Business Park.

A customer at the Park since July 2020, Lynch Creek Farm started with 40,000sf of storage space in the Olympic View Warehouse to accommodate their existing operations in Mason County. In July 2021, they more that doubled their footprint to expand their centerpiece operation at Satsop.

Their latest expansion includes an option to lease the remaining 60,000 SF of space in the Olympic View Warehouse. Over the span of three years they have implemented the making of holiday centerpieces at the Satsop location. This year, they have added wreath making to the Satsop operation and have expanded their product line to include gourmet gift boxes, all assembled at the Satsop location. While Lynch Creek is based in Grays Harbor and Mason Counties, they ship their locally-made products nationwide.

“We are excited to expand our partnership with the Port at the Park and the East County community,” shared Lynch Creek Farm CEO Andy Hunter. “We are so thankful to the many employees in the area who produce, design, and ship our beautiful products. Our gift basket line of products has been a huge success this year and we look forward to expanding that, along with year-round business opportunities to include spring and summer products.”

“It has been exciting to watch Lynch Creek Farms grow here at the Park,” said Satsop Business Park General Manager Alissa Shay. “We feel fortunate to have such a great

partner that can put our warehouse and storage space to use while growing jobs for the region.”

Satsop Business Park, a facility of the Port of Grays Harbor, is strategically located between Portland and Seattle. Located just 30 minutes west of Olympia and the I-5 Corridor, the 1,800-acre mixed-use business and industrial park boasts over 300,000 square feet of warehouse space available for warehousing, distribution, and manufacturing. Companies who choose this location located just outside of Elma find that the Park’s over 600 acres of space is well-suited to grow their business in Grays Harbor County. With over 100,000 square feet of Class A office space to expand your business, the Satsop Business Park is the premier place to do business on the Coast.
